J. Shoshanna Ehrlich : Fundamentals of Family Law (Aspen College) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fundamentals of Family Law (Aspen College):

This new text is a concise version of Ehrlich s Family Law for Paralegals, which is currently in its 6th edition, developed for use in shorter paralegal courses. The Fundamentals version of Ehrlich s text seeks to provide students with the knowledge and skills they will need to be effective paralegals in a busy family law practice. Without sacrificing the intellectual integrity and depth of the topical coverage, the text is streamlined in order to emphasize the material that is essential for the transition from classroom to office.Features:Comprehensive in coverage. The book includes basic coverage of the issues of marriage and divorce, as well as current issues such as non-marital families, child abuse and neglect, and same-sex marriage.Helpful real-life examples enhance the textual discussions. Sample forms show students what they will encounter in practice.Clear pedagogy including summaries, key terms, and review

and discussion questions help students better understand the material and develop their critical thinking and writing skills.
