Marlene Pontrelli Maerowitz, Thomas A. Mauet : Fundamentals of Litigation for Paralegals (Aspen Paralegal) (Aspen College) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fundamentals of Litigation for Paralegals (Aspen Paralegal) (Aspen College):

Fundamentals of Litigation for Paralegals, 9E offers a complete understanding of the litigation process from the time the client walks into the office through to trial and post-judgment, including settlements and alternative forms of resolutions. The successful, balanced approach presents a clear, complete overview of the litigation process, without bogging down in so many rules and procedures that the learning process is thwarted. The text s clear, flexible

organization allows the instructor to easily pick and choose the areas to cover in the course. Pedagogical aids throughout the text, including bold-face terms defined in the margins and in the glossary; numerous examples, charts, checklists, and sample documents; chapter overviews and summaries; and review questions, make the material much more accessible to students. The litigation file at the end of the materials allows the student to see samples, not just read, about the motions, pleadings, and discovery requests that are part of a litigation case. Features: Updated with changes to Federal Rules of Civil Procedure Short, edited cases added to each chapter, with questions,for follow-up discussion on key topics Includes new developments in e-discovery Updated with new techniques for utilizing computerized litigation support systems in preparing cases for trial Updated internet research questions Coverage streamlined throughout Helpful pedagogy includes bold-face terms defined in the margins and in the glossary; numerous examples, charts, checklists, and sample documents; chapter overviews and summaries; and review questions In addition to review questions (including true-false, short answer, and essays, with answers and explanations), the workbook has case scenarios for the student to use in completing assignments for the course and for use by the instructor as case studies in class. The Instructor s Manual provides answers to the questions posed in the workbook and book, as well as test questions for each chapter with answers and explanations
