**Thomas E. Eimmermann : Fundamentals of Paralegalism, Third Edition with Other** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fundamentals of Paralegalism, Third Edition with Other:

0 of 0 people found the following review helpful. Cannot Review what I have not Received !!!!By LadypeaceI never received this order. I never received any information regarding why I didn't receive this order. I couldn't reach the seller because the entire email address was not provided to me. There should be a better process for reaching you when an item is not received.

"Fundamentals of Paralegalism" offers the most effective and complete overview of Paralegalism available. In this edition, noted paralegal teacher and former AAFPE president Thomas Eimmermann has brought his comprehensive text to a new level of excellence. You'll find this book flexible enough to address topics in any order, and your students will get the wide range of coverage they need, including: -- three parts covering Introduction to the Profession, The American Legal System, and Paralegal Skills-- focus on professionalism, with an expanded description of what paralegals do and first-person accounts from working paralegals-- coverage of regulation of paralegals, including the California Legal Technician controversy-- a helpful section on searching for a job and interviewing. Students learn easily from Eimmermann's chapter summaries, key terms, questions for review and discussion, and projects. And you'll appreciate the accompanying Instructor's Resource Guide, which contains answers to every question in the book, a

Test Bank for each chapter, an Instructor's Bibliography, and Transparency Masters.
