This book discusses all aspects of gambling law, and on all levels: local, tribal, state, national, and international. It covers all forms of wagering, legal and illegal, including casino games and slot machines, lotteries, poker, bingo, sports betting, racing, and Internet gaming. This book explains why legal gambling, one of the fastest growing

industries in the world, still faces restrictions on its right to advertise or even have its contracts enforced. It has separate discussions of many jurisdictions, including Nevada, New Jersey, Macau, Canada, and other countries; Indian and charity gaming; taxes; intellectual property; compulsive gambling; and the most popular forms of gambling.
