Alan S Gassman, Michael C Markham, Kacie Hohndell : Gassman Markham on Florida and Federal Asset Protection Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Gassman Markham on Florida and Federal Asset Protection Law:

1 of 1 people found the following review helpful. Good information for small business and individuals in FloridaBy LizGreat way to understand the concept and get "the big picture" when evaluating a good lawyer (and important questions to ask). This book is slightly more technical than legal books by Nolo but not dense at all (surprisingly). This book is written for a different audience than the popular Nolo books.I highly recommend also reading other legal books by Nolo on the topic.

Alan S. Gassman, Esq. and Michael C. Markham, Esq. have written a book on Florida and Federal Asset Protection Laws.
