**Mr Sai Anand Raman : Gentlemen - Protect Yourself from Vampires in Divorce: To be Forewarned is To Be Forearmed** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gentlemen - Protect Yourself from Vampires in Divorce: To be Forewarned is To Be Forearmed:

How will this book protect you in the Divorce Battle surrounded by Vampires? There are two ways of learning to protect yourself with regard to divorce. One is learning What To Do which majority opts for. The other way which serves most effectively in divorce battle is learning, What Not To Do. This book will protect you by creating awareness on What Not To Do. By highlighting the undesirable consequences victims faced by doing things they shouldn't have done, due to ignorance. It Forewarns you thereby Forearming you. Another common reason for ignorance is lack of time, and lack of readily available precise information. With this book, what you need to do is, invest the least of your valuable time to safeguard you from lifetime regret. This book will empower you to have total control and command over your so called Super Lawyers, by prohibiting them from intimidating, pressurizing, blackmailing, threatening you. And also makes you aware about malpractices lawyers indulge in collusion with opposition lawyer. On the whole, this book will definitely give you the confidence to take the vampires head-on and emerge victorious without losing your peace of mind.

About the AuthorThe author is a management professional. This specific work of the author is the result of anger, frustration and emotional turmoil experienced by a close friend of the author in the battle against all those unethical elements manipulating the divorce process.
