LLC Celebration Bar Review : Georgia Outline Book 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Georgia Outline Book 1:

bms100This is a great supplement if you've passed the bar in another state, and just need a gap filler for Georgia
specific stuff. For that purpose, its a good alternative to the big commercial outline programs.These things said, I'm not
entirely impressed with the overall quality of the outlines. Some subject areas are perfectly fine, and some do a very
good job of pointing out Georgia differences from MBE standards. However, I get frustrated with the cursory
discussions of some subject areas, and sometimes poorly thought out organization. Often the outlines simply "discuss"
a particular point, never stating the "rule" with associated terms of art, elements, and exceptions.These criticisms
notwithstanding, it's the essays--being able to identify the major issues and talk about them in an organized and
reasonable way is the main thing to worry about. For that, these outlines are okay.

Substantive outlines for the Georgia Bar Exam, including UCC Articles 3 and 9, Wills, Trusts Administration of Estates, Domestic Relations. These are the outlines used in the Celebration Bar Review Course for the Georgia Bar Examination. 2012-13 Edition
