There are a LOT of distracting typographical errors in the book, but the content seems to be sufficient. The explanations are a bit too cursory to make the book a stand-alone study guide. However, if you've already taken another state's bar exam and just need the Georgia-specific basics, it's a great resource. 0 of 0 people found the following review helpful. Five StarsBy kim hamilton Brand new condition! 1 of 1 people found the following review helpful. Sustantively AccurateBy Kenaz It does the job, the rest is on the buyer. If necessary, I would purchase the same material for another state as well.

Substantive outlines for the Georgia Bar Exam, including Business Associations, Non-Monetary Equitable Remedies, Professional Responsibility and Multistate and Georgia Differences in Contracts, Criminal Law, Evidence, Real

Property Torts. These are the outlines used in the Celebration Bar Review Course for the Georgia Bar Examination.
