Wight has provided an extremely helpful resource for individuals facing that third act of life. You just can't hide your head in the sand, and I totally recommend this book as a tool to help get your legal life in order. I liked Wight's no-nonsense style and straight-talk. At this price, it's a bargain - recommended. 0 of 0 people found the following review helpful. Down to earth estate planning guide By Ronald Morton Mark does a great

job explaining the planning process in easy to understand terms. This is a great resource for anyone looking to begin the process of planning their estate.

This book is designed to be different than any other book you might have seen about estate planning. The problem for most folks when it comes to estate planning is that they dance around the issues, delay addressing the issues, and often act as if not thinking about the issues will somehow prevent or at least delay their occurrence. So this book is about getting real. Take control of your future, plan ahead, and act now to have the life you want with your customized Legal Life Plan™.

About the Author Mark E. Wight is the Principal of Idaho Estate Planning in Eagle, Idaho. A member of the Idaho State Bar, the Taxation, Probate Trust Law Section of the Idaho Bar, Wealth Counsel, and Elder Counsel, he is a trusted source of estate planning and elder law across the state of Idaho. He is also a Certified Academy Attorney with the Academy of VA Pension Planners, an accredited attorney with the Veterans Administration and serves as Chairman of the Board for Alzheimer's Idaho. For over 30 years, Mark has helped thousands of people get real about what they need to plan for their futures.
