Miller : GetDismissed: No Brain Work Required, It's That Simple: Get Your Traffic Ticket Dismissed, Without Getting Off Your Butt before purchasing it in order to gage whether or not it would be worth my time, and all praised GetDismissed: No Brain Work Required, It's That Simple: Get Your Traffic Ticket

Dismissed, Without Getting Off Your Butt:

2 of 2 people found the following review helpful. fluffBy jp191There is no concrete information. There is a lot of fluff and common sense. Where they should have links or suggested resources, there is nothing. Save your money you can get all information for free online.

Lets get right to the point here: Why do you need this book? Answer: TIME and MONEY. Read on and that statement will make total sense. There is a better way to fight traffic tickets in California...and we know what it is! Thats what weve been evangelizing about for the past 11 years while helping tens of thousands of drivers successfully fight their traffic tickets. So what is this better way, and what exactly can be done when you receive a traffic ticket? Should you just pay the ticket? Go to traffic school? No, there are better options available. Should you go to court and fight the ticket yourself? Hire an expensive attorney to fight the ticket for you? Those methods could waste even more time and money than your first options. We have better ideas, and we will share them with you in this book. Why should you read this book instead of others? There are many books that deal with the traffic tickets and how to fight them but this is the ONLY book that gives you the best road map of your options on how to fight your ticket. Wouldnt it be great if there were a system that provided drivers all of their exact same rights under the law to contest a traffic ticket, but also did not waste the courts precious time and money? Well, we have good news for you. There is such a system, and its called a Trial by Written Declaration. Its been around since 1978 and provides unlucky or unfortunate drivers with a very quick, very simple, and very effective solution for fighting traffic tickets. The Trial by Written Declaration process can be found on the back of every single ticket issued and gives drivers an option to contest their traffic ticket in writing. Drivers complete the documents and submit them to the court by mail instead of going into court to contest the traffic ticket in person. This by mail option - the Trial by Written Declaration - is the best way to contest a traffic ticket in California and eliminates the need for you to waste your time fighting your ticket in court. Before we move on, we would like to make a bold prediction right here, right now. In the not-so-distant future, the day will come when you will not even be able to go to court to contest your traffic ticket in California. We believe that this prediction will come true within the next 10 years. Why do we believe this? Our prediction is centered on two fundamental principles: TIME and MONEY. Now back to our prediction: The Trial by Written Declaration process is the only way for the court to save time and money and will take contesting traffic tickets out of the courts due to simple necessity. This will be done to reduce costs while still ensuring the taxpayers rights. There is no other way. Period. The GetDismissed App facilitates the process for completing and filing a Trial by Written Declaration with the court. Simply take a picture of your traffic ticket and another picture of your driver license, answer a few questions, download the documents and voila, your Trial by Declaration is completed for you and ready for you to file with the court. Like we said earlier, this is why you need this book and why you need the GetDismissed App; together, they will save you TIME and MONEY.

About the AuthorSteven F. Miller, Founder and Managing Member of The Ticket Advocate, LLC. As President and Founder of TicketBust.com, Steve has been fighting traffic tickets for over 10 years. Steve practically invented this industry, starting TicketBust.com in 2004 with one goal in mind: to help drivers contest and dismiss their traffic tickets quickly, easily and inexpensively. Since then Steve has continued to expand TicketBust.com by developing and deploying all the necessary solutions to assist drivers with contesting their traffic tickets. Steve has been featured as a guest authority regarding fighting traffic tickets in California on many television, radio, and online networks. Based on the knowledge of developing and running a successful traffic ticket fighting service in California, Steve felt that there must be an easier, simpler, and better way to contest a traffic ticket. Although TicketBust.com has fought over 100,000 traffic infractions in California, this is only a drop in the bucket compared to the 16-18 million tickets (inclusive of all types of tickets: including parking, administrative, traffic infraction, and traffic misdemeanor) issued every year in California. To accomplish this, Steve set out to create a new and revolutionary way to contest a traffic ticket that made it so the masses of people receiving tickets would feel comfortable and empowered in fighting back. And thus the GetDismissed application was born and released in January 2015. Steve has also released the following other ticket fighting services over the years TicketHitMan.com TicketKick.com Tra?cTicketSuperHero.com Steve developed and released iTicketBust, a mobile application for iPhone and Android devices. Steves first book was released in 2011, Traffic Tickets. Dont Get Mad. Get Them Dismissed. Traffic Ticket Tips, Must Knows, and Much More, and the follow up in 2012, Traffic Tickets. Dont Get Mad. Get Them Dismissed. Stories From The Street. The Ones Who GOT OFF. Prior to TicketBust.com, Steve was CEO of MediaHippo, Inc., an interactive agency focused on web, DVD, and multimedia development. Steve was instrumental in promoting and marketing the Kodak Photo CD technology in the 1990s, authored many articles and was a featured speaker at numerous industry events. Steve graduated from California State University Northridge with a BS in Accounting. Steve worked for Deloitte Haskins and Sells as a Certified Public Accountant, prior to starting his own accounting agency.
