## Practical Guide to the Legal, Emotional and Financial Ins and Outs of Negotiating a Divorce Settlement:

8 of 10 people found the following review helpful. Excellent guide  
By Haley Burke This is a good, practical guide with commonsense advice to parents who are going through a divorce. If you read this book and follow its guidelines you won't need to spend endless amounts of time and huge amounts of money with lawyers and other mediators. Margulies knows his stuff and it works!  
1 of 1 people found the following review helpful. Very well written  
By Becky L. Ryan Good information and well written! Whether you plan on getting divorced or not it helps you know what to expect and how to prepare if you are thinking about it!  
2 of 3 people found the following review helpful. This book can really make a difference!  
By scott This book really helped me when I was divorced about 10 years ago, I have purchased at least 10 copies for friends who find them selves in that situation. Stay away from the lawyers and use some basic common sense

As a leading divorce negotiator and mediator, Sam Margulies has helped thousands of couples reach fair and amicable settlements. In this compassionate guide, now updated with vital information on changes in divorce law and norms, Margulies covers the legal, financial, and emotional realities of divorce in a straightforward, reassuring style. He takes readers through every step, from making the initial decision to finalizing the agreement, including: Why mediation is now the preferred way to divorce How to avoid the conflicts that often occur after the divorce is over How to negotiate successfully even when you are angry How to manage step-family conflict in the aftermath of divorce With examples drawn from real-life cases, *Getting Divorced Without Ruining Your Life* explains how to protect one's own interests and negotiate a stress-free, enduring agreement that allows both partners to embark on a new life.

M. Gary Neuman author of *Helping Your Kids Cope with Divorce the Sandcastles Way* Clear and practical advice on important issues facing divorcing couples. Offers a valuable addition to the literature.  
Sanford L. Braver, Ph.D. author of *Divorced Dads* If your marriage is ending, this revised edition can virtually save your life, as well as your child's. In pointing out the pitfalls of the adversarial system of divorce, Sam Margulies provides excellent advice concerning a far superior alternative: mediation. He arms the reader with everything you need to know to achieve a fair, successful, and civil dissolution.  
Constance R. Ahrons, Ph. D. author of *The Good Divorce* Sound, helpful, and practical advice from an experienced lawyer/mediator. If you're going through a divorce this book should be on your reading list.
