**Richard Stim Attorney : Getting Permission: How to License Clear Copyrighted Materials Online Off** before purchasing it in order to gage whether or not it would be worth my time, and all praised Getting Permission: How to License Clear Copyrighted Materials Online Off:

1 of 1 people found the following review helpful. comprehensive and well-organizedBy BaranabusI confess I have only just skimmed this book, but this really looks like the all-purpose resource any creative person needs. I see lots of different situations covered here. Since I work with sampling, do cut-up poetry in additional to original poetry, and use other imagery in photocollage, I've been wondering what to do about the legal angle, should I want to try to release my work to a more "public" audience.This book covers it all, and very concisely. The cd enclosed even has the legal forms to use, which should be very helpful.I like the way you can easily find the answers you're looking for, as opposed to wading through a lot of legal-ese. Indispensible to anyone who works with any kind of appropriated content.2 of 2

people found the following review helpful. LoveBy Jennifer AndersonThis book is an essential book for any writer or publisher. Every type of permission you need is neatly contained within it's folds and print out contracts are there and ready for your use. It has wonderful tips and strategies to keeping your work from any type of copyright infringement - I'd definitely will and have, recommended this book.0 of 0 people found the following review helpful. Reasonably easy to readBy Nancy H. MarshallImportant information and thorough. Reasonably easy to read.

Using copyrighted materials? Get permission and stay legal If you plan to use any copyrighted material for your own purposes, you need to get permission first from the owners of that work. If you don't, you could find yourself slapped with an expensive and time-consuming lawsuit. Getting Permission tackles the permissions process head-on -- without the legalese. It shines the light on whom to ask for permission, as well as when -- and how much to expect -- to pay for permission. Comprehensive and easy-to-read, the book covers: the permissions process the public domain copyright research fair use academic permissions the elements of a license and merchandise agreement the use of a trademark or fictional character and much more Getting Permission includes agreements for acquiring authorization to use text, photographs, artwork, and music, whether it's found online or off. All agreements included as tear-outs and on CD-ROM. The 4th edition of this essential guide is completely updated to reflect the latest laws and court decisions. Plus, read an all-new collection of practical, real-life FAQs, based on author Richard Stim's popular intellectual property blog, Dear Rich: Nolo's Patent, Copyright Trademark Blog.

"Creates a winning survey highly recommended for any general lending library...this comes from an attorney and is a 'must' for any seeking copyright and permission details." (Midwest Book 2011-02-01)From the PublisherWant to use someone else's stuff? Get Permission FirstAbout the AuthorRichard Stim specializes in small business, copyright, patents, and trademark issues at Nolo. He practices law in San Francisco and has represented photographers, software developers, crafts people, publishers, musicians, and toy designers. He is the author of many books, including Music Law, and Profit From Your Idea. Stim also produces audiobooks, and performs and records with two bands.
