**Daniel I. Small : Going to Trial: A Step-by-Step Guide to Trial Practice and Procedure** before purchasing it in order to gage whether or not it would be worth my time, and all praised Going to Trial: A Step-by-Step Guide to Trial Practice and Procedure:

0 of 0 people found the following review helpful. Five StarsBy Mitchell SliwinskiBook is good.7 of 7 people found the following review helpful. Serving a Limited PurposeBy G. Ware Cornell Jr.I am one of the initial contributors to this trial primer from the ABA General Practice Section. The original authors, all veteran trial lawyers, produced a work designed to help the occaisional litigator get through the morass of a jury trial.First published in the mid-1980's, it

had become a popular book for the ABA Press. Recently a Second Edition was released, which attempts to bring the guide up to date. Within its modest ambitions, the book works. It contains numerous checklists for each stage of the pretrial and trial process. It cannot substitute for trial experience, however or with knowledge of local practice rules. If you don't get to trial often, this book can help. That is all it ever aspired to do.<sup>2</sup> of 3 people found the following review helpful. A walkthrough published by the American Bar Association By Midwest Book Review Now in a newly updated second edition, *Going to Trial: A Step-by-Step Guide To Trial Practice And Procedure* is a step-by-step walkthrough published by the American Bar Association. Describing the unique features of each procedural step of the trial from filing suit and jury selection to post-trial motions and the closing argument, *Going to Trial* includes sample reproducible forms and point-by-point bulletins that break down sometimes complex steps to their simplest basics. A 3 1/2" high density floppy diskette, formatted for the PC, offers 60 text files (Microsoft Word 6.0) that correspond to the 60 numbered forms in *Going To Trial*. This is the definitive resource for aspiring and practicing attorneys and a "must-read" for anyone who needs to know precisely what is involved.

Classic reference with accessible and proven advice on how to better prepare for trial, from the first client interview to closing argument. Includes numerous procedures, checklists, forms, and worksheets.
