R. G. Coleman Ph.D. : Good Dad -- Bad Mom Part Two: The State's Criminalization of a Father's Paternal Instincts PART II before purchasing it in order to gage whether or not it would be worth my time, and all praised Good Dad -- Bad Mom Part Two: The State's Criminalization of a Father's Paternal Instincts PART II:

We live in a culture that assumes women are the most capable caregivers for children. There are many cases where this is the truth; but not this one. *Good Dad, Bad Mom* by R. G. Coleman is a true recounting of one man's struggle to provide adequate care for his daughter, while fighting a corrupt legal system and a vindictive ex-wife. Backed into a corner, Richard must take extreme actions to ensure his daughter is no longer in the hands of a controlling and thoughtless mother. A battle ensues, in which Richard is falsely charged for various acts. *Good Dad, Bad Mom* is a compelling insight into the world of a man fighting against a sexist custody system.
