Danie Victor Esq. : Guardian Ad Litem: Best interest of children, Forms Guides before purchasing it in order to gage whether or not it would be worth my time, and all praised Guardian Ad Litem: Best interest of children, Forms Guides:

3 of 4 people found the following review helpful. and I cannot tell you how disappointed I was in this book By Bluestar Bird I am a legal professional, and I cannot tell you how disappointed I was in this book. For the price I paid, I expected it to offer information that would be helpful in my practice as a GAL. It did not. I promptly returned it. Don't waste your money.

This book covers the topic of preserving the welfare and best interest of minor children. As a 20 year Guardian Ad Litem for the Courts, I am often appointed by Judges to represent children caught in their parents' turmoils. I often provide written recommendations as well legal opinions to the Courts on behalf of children. I urge anyone in this country to get involved by volunteering as a guardian ad litem in their local communities.
