Peter Kazon : Guidance for Health Care Joint Ventures before purchasing it in order to gauge whether or not it would be worth my time, and all praised Guidance for Health Care Joint Ventures:

Published as an Aspen Special Report, this article provides guidance on the various legal considerations that arise in the formation and operation of a health care joint venture, especially when the health care providers who refer to it or use its services also have financial arrangements with the entity. It begins with a discussion of the background of the

antitrust laws, the fraud and abuse laws, and the self-referral laws as they relate to this topic. Then, the article discusses specific issues that can arise from the formation and operation of such joint ventures.
