**Linda L. Edwards, J. Stanley Edwards : Guide to Factual Investigations (U.S. Wars)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Guide to Factual Investigations (U.S. Wars):

0 of 0 people found the following review helpful. Four StarsBy WolfpacCovers good solid basics of Investigations.0 of 0 people found the following review helpful. A Basic GuideBy J.L. PopulistFrom the preface of A GUIDE TO FACTUAL INVESTIGATIONS- " The primary purpose of this book is to acquaint readers with the most common types of factual research encountered in the practice of law."The authors wrote this book not only as a self-study tool for paralegals but also for readers outside the legal profession.This book is a basic guide that would be helpful for anyone wanting a primer type of book about the types of investigations done in a law firm.Some of these areas of investigation are; Personal Injury, Family Law, Real Estate, and Business Law.The strongest asset of this book in my opinion is the large number of web addresses provided for the reader. Despite this book being published 7 years ago, I verified that many of the addresses are still viable.Having read quite a few paralegal textbooks, I didn't learn much

aside from the web sites provided. This would make a very good introduction to the subject. It's a workbook and it's also organized very well.

Guide to Factual Investigation is presented in a self-instruction format, making it useful as a training tool for law firms and businesses utilizing paralegals and other legal personnel. This step-by-stop guide to records investigation prepares paralegals to conduct the type of factual research professionals do on a daily basis. Nothing in this book is theoretical or academic. Guide to Factual Investigation utilizes a practical application and concrete examples, making it an excellent reference book for both the student and professional.

About the AuthorDr. Linda L. Edwards is an attorney and author, having written or co-written seven textbooks in the legal assistant field. She was an instructor in the Justice and Legal Studies Department at Phoenix College for 24 years until her retirement in January 2001. During her tenure as program director, she was responsible for creating dozens of new classes in both legal assisting and criminal justice.J. Stanley Edwards has been an Arizona attorney since 1975, serving as a general practitioner for all but two of those years. He has co-authored five textbooks on paralegal studies with his wife, Dr. Linda Edwards. He is a judge pro tem in the civil division of the Maricopa County Superior Court and was a judge pro tem in what is now the Family Court. Additionally, he is a certified arbitrator in the District Court of Arizona.
